PSC Case Nos. 2005-00519 and 2005-533 ✓

Dear Ms. Keyer:

The Public Service Commission has received AT&T Kentucky's Petitions filed November 9, 2007 requesting to protect as confidential, certain information contained in Exhibits A-C of AT&T's Motion for Issuance of Damages Award. This information is described as pertaining to the amount of monies owed to AT&T by SouthEast Telephone, Inc.

A review of the information has determined that it is entitled to the protection requested on the grounds relied upon in the Petition, and it will be withheld from public inspection.

If the information becomes publicly available or no longer warrants confidential treatment, you are required by 807 KAR 5:001, Section 7(9)(a), to inform the Commission so that the information may be placed in the public record.

Sincerely,

Stephanie Stumbo,
Executive Director
